KEY

*=Peanuts and tree nuts are not used in KFC restaurants. May be used in common manufacturing plants.

√=contains allergen

†=contains ingredient that may cause sensitivity

•=products are prepared in common equipment and therefore may contain allergen

The allergen information displayed on this site is based on standard product formulations and is current as of April 1, 2009. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, and/or product production at the restaurant.

In some restaurants, fish, chicken and potatoes may be prepared in the same oil. Please ask the manager about this practice if you have an allergy to fish or milk.

Some menu items may not be available at all restaurants. Limited time offers, test products, or regional items have not been included.

Customers with allergy-related questions can contact the Food Allergy and Anaphylaxis Network (FAAN) on the web at foodallergy.org or by telephone at (800) 929-4040.
